ACTIVITIES

I have been an active member of the **Boy Scouts of America** for more than 12 years. I was inducted into the Scouting's National Honor Society, the **Order of the Arrow**, in 2013, where I have been active ever since. While involved in these organizations, I have earned the rank of **Eagle Scout**, the **Vigil Honor**, and the **President's Award in Leadership**. During my tenure, I have also had the honor of working on both the organization's local and national levels. My highlights include working as a **National Leadership Seminar** staff member, teaching leadership skills to youth and adult members from around the country, and serving on both the regional and national subcommittees for technology. I have also excelled in my educational career, joining the **Phi Theta Kappa** honor society in 2019.
